

Internal Audit Report

(to be read in conjunction with the Annual Internal Audit Report in the Annual Governance and Accountability Return)

Name of council:	Far Cotton and Delapre Community Council		
Name of Internal Auditor:	Lynn Lavender	Date of report:	08/06/21
Year ending:	31 March 2021	Date audit carried out:	07/06/21

Internal audit is the periodic independent review of a council's internal controls resulting in an assurance report designed to improve the effectiveness and efficiency of the activities and operating procedures under the council's control. Managing the council's internal controls should be a day-to-day function of the council through its staff and management and not left for internal audit. It would be incorrect to view internal audit as the detailed inspection of all records and transactions of a council in order to detect error or fraud. This report is based on the evidence made available to me and consequently the report is limited to those matters set out below.

The council is required to take appropriate action on all matters raised in reports from internal and external audit and to respond to matters brought to its attention by internal and external audit. Failure to take appropriate action may lead to a qualified audit opinion.

To the Chairman of the Council:

I completed the first year-end audit review of Far Cotton and Delapre Community Council on 7th June 2021. I would take this opportunity to thank Kate Houlihan, the Interim Clerk, for her help and assistance.

I reviewed the information available on www.farcottonanddelapre-cc.gov.uk I was able to access a well ordered and detailed set of documents and records. By examination of these documents & records plus further questioning, I tested aspects of the Council's internal controls as required for the Internal Audit section of the Annual Return Part 3. I am satisfied that effective policies and procedures together with systems to manage, monitor and control the Council's business are in place. Accordingly, I was able to answer 'yes' to all relevant questions and identify areas that are not applicable to a new council.

This report is based on the evidence made available to me. It would be incorrect to view internal audit as the detailed inspection of all records and transactions of a council in order to detect error or fraud. Consequently, the report is limited to those matters set out above

Yours sincerely,

Ms L Lavender
