

Far Cotton and Delapre Council Police Report

May 2022 Crime Figures

May 2022 update

For May we saw an increase in criminal damage, mainly related to domestic events.

During the warmer weeks please take precautions and don't be tempted to leave downstairs external doors and windows open if you are not in the same room. You may wish to consider door or window latches so they can only be opened a certain distance to prevent intruders accessing your property. There are police recommended security devices available to purchase, via multiple sellers, that can be located on the <https://www.securedbydesign.com/> website. These include sash locks and French door catch locks.

Please continue to review your home and personal security arrangements.
