

Far Cotton and Delapre Council Police Report

October 2021 Crime Figures

Attention: Residential crime increase

October 2021 update

We continue to see vehicle crime and residential burglaries for October. We are reminding residents to secure their personal items from all vehicles as these are partly viewed as opportunistic criminals seeing an item on display and taking it within seconds. It only takes several seconds for someone to take the opportunity to perform this act so as a reminder **please make sure you remove all valuables from your locked vehicle at all times. This includes sat navs, dashcams, their cradles and any adaptors. It is also advisable to remove any loose change, any bags and items of clothing from view. Remember that any insurance claim may increase your yearly motor premiums as well as home insurance premiums for yourself and the area.**

Residential crime has seen an increase specifically sheds, garages and outhouses. Residents are reminded to take preventative action by fitting adequate security which includes additional lighting, security locks, alarms and any cameras including video doorbells. You may find during November Black Friday and Cyber Monday shopping days that some of these items are on offer.

E-Scooters – Going into November there is a continual focus on the use of personal e-scooters in the area. Currently the only legal e-scooters are those on the VOI scheme and all other personal e-scooters should not be used in public areas/roads/footpaths/parks etc and cycle paths. With Christmas approaching it is worth considering the value in purchasing private E-Scooters versus being convicted of a criminal offence and/or having the E-Scooter seized.
