

Far Cotton and Delapre Council Police Report

September 2021 Crime Figures

Attention: Vehicle crime increase and E-Scooters

September 2021 update

There has been a recent spike in the area of vehicle crime. This is a combination of items stolen from vans and cars including opportunists smashing car windows to take items on display. It only takes several seconds for someone to take the opportunity to perform this act so as a reminder **please make sure you remove all valuables from your locked vehicle at all times. This includes sat navs, dashcams, their cradles and any adaptors. It is also advisable to remove any loose change, any bags and items of clothing from view.**

A cannabis factory was located, by a PSCO, on Forest Road and subsequently an arrest was made.

E-Scooters - Work is continuing to focus on the use of personal e-scooters in the area. Currently the only legal e-scooters are those on the VOI scheme and all other personal e-scooters should not be used in public areas/roads/footpaths/parks etc and cycle paths.
