

Far Cotton and Delapre Council Police Report

September 2022 Crime Figures

September 2022 update

We would like to remind residents to secure their properties and not leave any doors or windows open. There are multiple recommended security devices to protect your property which are police recommended - <https://www.securedbydesign.com/> website.

Although vehicle crime is down year on year please remember to remove any items on show and lock your vehicle when unattended. You may also wish to consider secure number plate screws which can be purchased online or from your local Halfords store. Please continue to review your home and personal security arrangements.
